## **Oswego Hospital Selects ProVation® Order Sets, *powered by UpToDate® Decision Support***

MINNEAPOLIS, MN - January 31, 2012 – [Wolters Kluwer Health](#), a leading global provider of information for healthcare professionals and students, announced today that Oswego Hospital has selected ProVation® Order Sets, *powered by UpToDate® Decision Support*, as its electronic order set solution.

Located in Oswego N.Y., the 164-bed [Oswego Hospital](#) is part of the Oswego Health system, which also includes a skilled nursing facility and retirement community. Fully accredited by the Joint Commission, Oswego Hospital is focused on utilizing the latest advances in medical technologies and techniques. Its computed tomography (CT), magnetic resonance imaging (MRI), ultrasound imaging and mammography imaging services are all accredited by the American College of Radiology (ACR).

“Oswego Hospital is dedicated to providing its community with exceptional care,” said **Mike Haldane**, Vice President and General Manager, Clinical Documentation, Wolters Kluwer Health Clinical Solutions. “We are pleased that Oswego has selected ProVation Order Sets, *powered by UpToDate Decision Support*, to advance this mission.”

“ProVation Order Sets, *powered by UpToDate Decision Support*, is a key component of the integrated set of best-of-breed solutions offered by the Wolters Kluwer Health Clinical Solutions Business Unit”, said **Arvind Subramanian**, President and CEO, Wolters Kluwer Health Clinical Solutions. Clinical Solutions is focused on improving point of care quality and driving clinical productivity. It includes ProVation Medical®, Lexicomp™, Pharmacy OneSource®, Medi-Span® and Facts & Comparisons®, all of which are integrated via common processes, systems and highly motivated people with many years of healthcare technology experience. The business unit includes over 100 clinical professionals (physicians, nurses, pharmacists and reimbursement coding specialists) working closely with software engineers, service professionals and sales and marketing teams to deliver a world-class customer experience.

### **About ProVation Medical**

ProVation® Medical provides procedure documentation and clinical decision support solutions for hospitals and Ambulatory Surgery Centers. ProVation MD, ProVation MultiCaregiver and ProVation EHR software reduce transcription, paper storage and image printing costs and deliver a high Return on Investment through electronic procedure documentation. ProVation® Order Sets, *powered by UpToDate Decision Support*, puts evidence-based healthcare into practice by establishing and maintaining standards of care.

ProVation Order Sets is part of [Wolters Kluwer Health](#), a leading global provider of information, business intelligence and point-of-care solutions for the healthcare industry. Wolters Kluwer Health is part of [Wolters Kluwer](#), a market-leading global information services company with 2010 annual revenues of €3.6 billion (\$4.7 billion).
