Southwest Mississippi Regional Medical Center to Implement ProVation® Order Sets, powered by UpToDate® Decision Support

MINNEAPOLIS, MN - April 19, 2010 - Wolters Kluwer Health, a leading global provider of information for healthcare professionals and students, announced today that Southwest Mississippi Regional Medical Center (SMRMC) has selected [ProVation® Order Sets](#), powered by [UpToDate® Decision Support](#), as its electronic order set solution.

Located in McComb, Miss., the 160-bed [Southwest Mississippi Regional Medical Center](#) is part Southwest Health System, an integrated health system providing comprehensive, state-of-the-art healthcare to more than 170,000 residents of southwest Mississippi and eastern Louisiana.

ProVation Order Sets, powered by [UpToDate Decision Support](#), is an easily customizable order set authoring and management solution that provides flexible integration into clinical processes to streamline the delivery of standardized care for improved patient safety, outcomes, clinician performance and regulatory compliance. Built upon ProVation Medical's award-winning, clinician-designed technology platform, ProVation Order Sets offer automatic linking to the superior clinical decision support content of UpToDate, the resource of choice for more than 360,000 clinicians.

[UpToDate](#) covers more than 8,300 topics in 16 medical specialties and includes more than 97,000 pages of text and graphics, as well as links to Medline abstracts, more than 385,000 references and a drug database. Content is continuously reviewed and updated by physician editors and authors.

In addition to integrated links to UpToDate and other trusted sources of medical evidence, ProVation Order Sets offer the flexibility to link additional clinical resources based upon client needs and preferences. Further, to help facilities achieve the highest possible degree of automation, ProVation Order Sets feature vendor-neutral mapping and export capabilities that allow for flexible integration into any facility or vendor EMR or CPOE system.

"We are pleased that Southwest Mississippi Regional Medical Center has chosen ProVation Order Sets, powered by [UpToDate Decision Support](#), to support its mission of providing excellence in healthcare and improving the standards of health in the communities it serves," said **Arvind Subramanian**, President and CEO, Wolters Kluwer Health Clinical Solutions.
